Nathan P. Wiederhold, Pharm. D.
Director

Patient Information:**Sample ID:****Name:****Client ID No:****Spec No:****Received Date:****Requesting Laboratory:**

Mayo Medical Laboratories

3050 Superior Drive, NW
ROCHESTER, MN 55901

(800) 533-1710

Report Date: 12/14/2023

Final Fungal Testing Report**Source:** LT Lung**Species ID Provided:** Aspergillus terreus complex**Date Collected:**

RESULTS OF ANTIFUNGAL SUSCEPTIBILITY TESTING:**DRUGS:****RESULTS:****INTERPRETATION:**

mcg/ml

Posaconazole (POS)

1

No Established Breakpoints

Methodology: CLSI M38**Comments:**

Low amphotericin B MICs do not correlate with positive clinical outcomes against Aspergillus terreus.

Aspergillus spp. are intrinsically resistant to fluconazole.

Testing Performed by: Victor Garcia (Antifungal Susceptibility)
